

## ROBERTS ELECTRIC • SUMMER 2019

It's REMMIE season! We're delighted to have partnered on several projects this year that won REMMIE Awards--the prestigious design awards from San Francisco's NARI, the remodeling industry's trade organization.

Coincidentally, we worked with the same contractors two years ago on REMMIE award-winning projects.

Our Best,  
Dan Pitcock

## HDR Remodeling: 2019 REMMIE Award, Residential Bathroom

Roberts Electric worked closely with the client and our longtime collaborator, [HDR Remodeling](#), on this Berkeley

bathroom makeover that won the 2019 REMMIE Award. By reconfiguring the downstairs space, we created a handsome, inviting bathroom. Soft LED lights highlight blue-green tiles—the color palette that is repeated throughout the home. This was part of a larger project that included a downstairs bedroom.

RECO partnered with HDR on an extensive remodel of the upstairs of this home in 2015 that included another bathroom and the kitchen. The owner loved a specially designed seating area with cushions, sleek new countertops and cabinets.

---

## McCutcheon Construction: 2019 REMMIE Award, Universal Design Bathroom and an Elevator!

Roberts Electric collaborated with McCutcheon Construction and Robineve Interiors on this universal design bathroom makeover in Piedmont, a 2019 REMMIE award winner in the Residential Bathroom in the \$50,00-75,000 category. Soft light colors and recessed lighting helped

transform a spacious, but dark and dated bathroom, into a sunny sanctuary.

As part of this same remodel, RECO collaborated on the installation of an elevator that serves three floors. The project won a 2019 REMMIE Award for Residential Interior Element Over \$30,000. The work required extensive electrical work, including replacing the home's antiquated electrical panel and installing new circuitry.

---

## RECO in the Commercial Sector

### **Papenhausen Hardware to reopen soon**

West Portal's historic, award-winning Papenhausen Hardware was badly damaged in a fire. Owners of this legacy business, Matt and Valerie Rogers, opened a temporary store that allowed them to keep their employees

working and continue serving their loyal customers. Working closely with W.A. Rose Construction, RECO did a complete rewire for lighting and power, data/com and speakers. Happily, Papenhausen will reopen very soon this summer.

---

### **Say hello to a new concept Tad's Steakhouse**

This national chain has been serving hearty meals at bargain prices since the '50s. Look for a completely new restaurant/concept of Tad's Steakhouse in a new location near the Westlake Centre at 144 Ellis Street.

---

### **Berkeley's Fourth St. welcomes MAC**

The skincare/beauty business on Berkeley's Fourth Street continues to flourish. RECO was the electrical contractor on a complete interior store remodel for MAC, updating the existing lighting to create a bright, inviting space.

---

## A facelift for San Carlos' Fairfield Suites

RECO has worked on many projects in Silicon Valley. Our latest: An upgrade to the rooms and lobby of the Fairfield Suites.

---

## RECO in the Community: Skyline Ranch Equestrian Center's Community Day

Roberts Electric was proud to help sponsor Skyline Ranch Equestrian Center's annual spring Community Day. Judi Martin's program helps introduce kids to horses. The response from the kids may have been tentative at first, but

ultimately won a big thumbs up!

---

## About Roberts Electric

Family-owned for more than 80 years, we're proud to have played a role in Oakland's historic development and excited to be part of the Oakland's energy and growth. We're solving problems and finding new and better ways to work with our partners, our clients and our City.
